# Welcome to the Crossroads Arts District™

Kansas City's eclectic neighborhood of art galleries, studios, boutique shops, one-of-a-kind restaurants, as well as music, taprooms and nightlife.

The First Friday of every month, thousands of people flock to the Crossroads as galleries, shops, restaurants and craft distilleries stay open late. Street performers and musicians bring to the evening the sound of applause, and curated local artists can be found selling their wonders in the beautifully lit Art Alleys. For a complete listing of monthly exhibits and performances, check our online guide at [kccrossroads.org/events](http://kccrossroads.org/events).

Use this map every day of the week to discover all the neighborhood has to offer. For more information on the Crossroads, visit [kccrossroads.org](http://kccrossroads.org).

Interested in becoming a member of the Crossroads Community Association™? Enjoy special offerings and discounts from participating merchants, restaurants and galleries when you use your member card. Learn more at [kccrossroads.org/become-a-member](http://kccrossroads.org/become-a-member).
